ALL YOU FASCISTS ARE BOUND TO LOSE

Words and Music by Woody Guthrie.

Key: E

I'm gonna tell all you fascists, you may be surprised
People all over this world are getting organized
You're bound to lose
You fascists are bound to lose.

Chorus:

All you fascists are bound to lose
All you fascists bound to lose
All you fascists bound to lose
You're bound to lose, you fascists
Are bound to lose.

Race hatred cannot stop us, this one thing I know
Poll tax and Jim Crow and greed have got to go
You're bound to lose
You fascists are bound to lose.

Chorus

People of every color marching side by side
We're gonna stop you fascists, there's no place you can hide!
You're bound to lose
You fascists are bound to lose.

Chorus

People of every color marching side by side
We're gonna stop you fascists, there's no place you can hide!
You're bound to lose
You fascists are bound to lose.

Chorus (2x)

WE'VE HAD IT WITH YOUR PIGGISH PLUNDERLAND

Lyrics: Bernie Sanders campaign 2016, updated by Bennet Zurofsky 2025

Tune: Winter Wonderland by Felix Bernard (music) and Richard B. Smith (lyrics) (1934)

Key: C

Oligarchs, are you listening?
Yeah, your coins sure are glistening ...
A sickening sight, prepare for a fight...
We've had it with your piggish Plunderland;

We're fed up, with your corruption,
And your end-less obstruction,
The wheel's gonna turn, get ready to learn,
We've had it with your piggish Plunderland;

We know how you love to build a straw-man,
And say Mamdani's out of control,
But we're gonna overturn your world, man...
The Left surges more in every poll...

You'll no longer conspire...
No more shills you'll acquire...
We're calling your bluff, enough is enough!
We've had it with your piggish Plunderland!

AWAY IN A MANGER

New Lyrics: Don Caron & The Parody Project; Acapella, first note A.

Away in a manger, no crib for his bed
And no crib is coming, the Congress has said.
No comfort for poor people not any more.
We'll teach 'em a lesson by slamming the door

The stars in the sky looked down where he lay
His parents are lazy; his dad might be gay.
Well, they are a burden and we've had enough.
We're cutting off access to all that free stuff

The baby grew up and he taught peace and love.
There are many believers in Congress—sort of.
They claim to embrace the example he taught.
To witness their actions we think they do not.

Away in a manger, no crib for his bed,
With Congress concerned “Merry Christmas” was dead.
They focused on that and ignored all the rest,
Devising new ways to oppress the oppressed.

Away in a manger is where he must stay
Or else his teachings might get in their way.
There's money to grub and there's wars to sustain.
That they believe in—their faith they just feign.

To them we now say you are not what you claim.
It's apparent that profit is your only aim.
Whatever you say and whatever you do,
We don't want to hear about Christmas from you!

LET MY PEOPLE STAY!

Words: Paul Stein, © 2018 Non-commercial use permitted

Tune: "Go Down Moses" (variant), Traditional African American Spiritual

Key: Dm

Immigrants helped build this land.
Let my people stay!
Hear our voices, we demand,
Let my people stay!

Chorus (sung after every verse)

No ICE! [No ICE!] No ban! [No ban!]
Welcome all with love each day!
Take a stand throughout the land
Let my people stay!

See our faces proud and strong.
Let my people stay!
All faiths and colors, we belong.
Let my people stay! [chorus]

Detention is a travesty.
Let my people stay!
ICE, set our friends and families free!
Let my people stay! [chorus]

Give me your tired, give me your poor
Let my people stay!
Refugees flock to our shore.
Let my people stay! [chorus]

MAOZ TZUR/ROCK OF AGES (RESISTANCE VERSION)

Lyrics: Dave Lippman; Melody: Traditional

Key: D Sung a cappella

Mighty stronghold is our land
Immigrants together
Those who work our fields and homes
Those who've slipped their tether
Furious, Trump assails them
As our nation fails them
They must stay / safe with us
We shall not be silent
They must stay / safe with us
We shall not be silent

When a people is enslaved
And then persecuted
Africans who came in chains
Families uprooted
Men in blue may kill them
Justice must fulfill them
We proclaim, say her name
We say Black lives matter
We proclaim, Say her name
We say Black lives matter

Out of Egypt came the Jews
Persecution endured
Israel has gone astray
Failure is assured
Ethnic demolition
But there's no submission
Palestine will persevere
We will not be silent
Palestine will persevere
We will not be silent

To respect first people's rights
Listen to their demands
Use the pow'r of sun and wind
Leave oil in the earth and sands
For our sons and daughters
We defend the waters
Let our words break their swords
We sing in resistance
Let our words break their swords
We sing in resistance

FASCIST USA

Lyrics: Sing Out, Louise, 2025

Tune: Yellow Submarine (Lennon & McCartney, 1966); Key D

In the land where we were born,
We fought wars for equality.
We defended human rights
In the land of liberty.

But the country took a turn,
Voted in...a crime machine
And we fell beneath the thumb
Of a fascist tangerine

We won't live in a fascist USA! A fascist USA! A fascist USA! (2x)

Well the Nazis scream & shout,
As they work to feed his greed
But the band begins to play
KAZOO BREAK

We won't live in a fascist USA! A fascist USA! A fascist USA! (2x)

We won't live a life of fear,
Though he's gro-owing more obscene.
Skies are blue, while we resist!
Screw the fascist tangerine!

We won't live in a fascist USA! A fascist USA! A fascist USA! (Etc.)

We Will Defend Democracy

Tune, chorus & last verse by Woody Guthrie (1949)

New lyrics by Sharleen Leahey (2025) Key: C

In '76 we defied a king
In '25 we're lettin' freedom ring
Let's raise our voices to proudly sing
We will defend Democracy.

Chorus

*This land is your land this land is my land
From California to the Jersey Pinelands
From the Redwood forest to the Gulf of Mex-i-co
This land was made for you and me*

In '76 we fought a Revolution
Now we fight / for our Constitution
People power is our solution
We will defend Democracy.

Chorus

So rise up healers do not comply
With a wheeler-dealer who thrives on lies
When we band together our power magnifies
We will defend Democracy.

Chorus

Nobody livin' can ever stop us
As we go walkin' our freedom highway
Nobody livin' can make us turn back
We will defend Democracy.

*This land is your land this land is my land
From California to the Jersey Pinelands
From the Redwood forest to the Gulf of Mex-i-co
This land was made for you and me
We will defend Democracy*

SHARE THE DOUGH

Tune: "Let it Snow" by Jule Styne, 1945 (Sammy Cahn lyrics)

New Lyrics: Julie McCall

Key: C

While the minimum wage is frightful,
For the wealthy, life's delightful.
Tell those billionaire CEO's
Share the dough, share the dough, share the dough!

The battle around us rages,
As we fight for living wages,
And we want to get what we're owed.
Share the dough, share the dough, share the dough!

Bridge

We leave families home at night;
Working two jobs is the norm.
And we know that it's just not right.
/ This system needs reform!

The economy's oligarchizing;
In the streets we're organizing,
And we're making our movement grow.
Share the dough, share the dough, share the dough! (2X)

IT'S A SMALL WAGE AFTER ALL

Bennet Zurofsky & Dottie Gutenkauf, 2000; Jean Romsted (Wal-Mart verse)

Tune: It's a Small World After All by Richard M. & Richard B. Sherman Key: D

It's a world of laughter, a world of tears.
It's a world of hope and a world of fears.
There's so much we can share,
That it's time we're aware
It's a small wage after all.

It's a small wage after all!
It's a small wage after all!
Around the world, working people sweat
For a small, small wage.

Children sweat all day for 28 cents,
And they can't buy food or pay the rent,
While the Disney CEO
Makes a whole bunch of dough;
It's exploitation after all!

It's exploitation after all! (2x)
Down in Haiti the children sweat
For a small, small wage.

In the Marianas, the women toil,
And they don't set foot on American
soil,
But the labels all say, "Made in USA,"
It's deception after all!

It's deception after all! (2x)
In Saipan the women sweat
For a small, small wage.

Out in Chinese prisons and labor camps,
They make women's clothes, children's
toys and lamps.
US firms make a heap,
For slave labor is cheap;
It's oppression after all!

It's oppression after all! (2x)
Out in China, the prisoners sweat
For a small, small wage.

Here, the Wal-Mart workers must watch
their step;
They have no health insurance, no union
rep;
And if they should complain,
There's a pink slip with their name;
Intimidation, after all!

Intimidation, after all,
No union voice, no one to call.
We all lose when the Wal-Marts gain.
It's a small wage after all!

In the crowded cities of Pakistan
Children work all day as fast as they can.
They make surgical tools, and they don't
go to schools.
It's injustice after all.

It's injustice after all, (2x)
Medical tools made by children's sweat
For a small, small wage

Repeat first verse and chorus

GREEN UNION MAID (CLIMATE EMERGENCY)

Lyrics: Diane Beeny 2019

Melody: "Red Wing"/"Union Maid" Key: C

Chorus:

Oh you can't stop us —
We're fighting for our planet (3x)
Oh you can't stop us —
We're fighting for our planet
We're fighting for our planet
So we all survive!

With pipelines everywhere,
Poisons in the sea and air;
We'll soon be extinct if we don't think
And fight for this Earth that we all share.
It's time to turn the tide,
From climate suicide
With a Green New Deal, let the planet heal
And make our future bright.

Chorus

The Arctic's feeling heat
With glaciers in retreat
Storm surge and floods keep rising higher
Drought-lands going ever drier
Species in decline
Higher ground is hard to find
If we don't reverse CO₂
It will only get more dire.

Chorus

Plastics filling up the seas,
We're losing all the bees;
The danger is real, we need a Green New Deal
Time to take responsibility!
Action's what we need
To save the reefs and trees
Whales and polar bears
Let's show we care
[And] fight to set things right.

WE SHALL OVERCOME

Adapted in 1960 by Zilphia Horton from Black Gospel Singers of the Charleston Food & Tobacco Workers Union and the Southern Civil Rights Movement (Key: C)

We shall overcome
We shall overcome
We shall overcome someday.
Oh, deep in my heart, I do believe
That we shall overcome someday.

We'll walk hand in hand
We'll walk hand in hand
We'll walk hand in hand someday.
Oh, deep in my heart, I do believe
That we shall overcome someday.

We are not afraid
We are not afraid
We are not afraid today.
Oh, deep in my heart, I do believe
That we shall overcome someday.

The whole wide world together
The whole wide world together
The whole wide world together now
Oh, deep in my heart, I do believe
That we shall overcome someday.

We shall live in peace
We shall live in peace
We shall live in peace someday
Oh, deep in my heart, I do believe
That we shall overcome someday.

We shall overcome
We shall overcome
We shall overcome someday.
Oh, deep in my heart, I do believe
That we shall overcome someday.

SOLIDARITY FOREVER

Tune: John Brown's Body; Lyrics: Ralph Chaplin, 1915 Key G

When the Union's inspiration
Through the workers' blood shall run,
There can be no power greater
Anywhere beneath the sun.
Yet what force on earth is weaker
Than the feeble strength of one?
But the Union makes us strong.

Chorus:

Solidarity forever!
Solidarity forever!
Solidarity forever!
For the Union makes us strong.

Is there aught we hold in common
With the greedy parasite
Who would lash us into serfdom
And would crush us with his might?
Is there anything left to us
But to organize and fight?
For the Union makes us strong.

Chorus – Spanish

Solidaridad pa' siempre! (3X)
Con la fuerza syndical.

It is we who plowed the prairies,
Built the cities where they trade;
Dug the mines and built the workshops,
Endless miles of railroad laid.
Now we stand outcast and starving
'Midst the wonders we have made;
but the Union makes us strong.

English Chorus

All the world that's owned by idle
drones
Is ours and ours alone.
We have laid the wide foundations,
Built it skyward stone by stone.
It is ours, not to slave in,
But to master and to own,
While the Union makes us strong.

Spanish Chorus

They have taken untold millions
That they never toiled to earn,
But without our brain and muscle
Not a single wheel can turn.
We can break their haughty power,
Gain our freedom when we learn
That the Union makes us strong.

English Chorus

In our hands is placed a power
Greater than their hoarded gold;
Greater than the might of armies
Magnified a thousand fold.
We can bring to birth a new world
From the ashes of the old.
For the Union makes us strong.

Spanish Chorus

English Chorus

WE SHALL NOT BE MOVED

Adaptation of traditional African-American Hymn based on Psalm 1:3 Key: G

Chorus:

We shall not, we shall not be moved. (2x)
Just like a tree that's standing by the water,
We shall not be moved.

We'll save the Constitution, we shall not be moved. (2x)
Just like a tree that's standing by the water,
We shall not be moved.

No más deportaciones, ¡no nos moverán! (2X)
Porque estamos bien organizados,
¡No nos moverán!

Spanish Chorus:

¡No, no, no nos moverán! (2X)
Porque estamos bien organizados,
¡No nos moverán!

Unidos en la lucha ...

Unidos por los niños...

Donald Trump's a fascist, he must be removed (2x)
Just like the garbage floating on the water,
He must be removed

We'll build a better future, we shall not be moved (2x)
Just like a tree that's standing by the water,
We shall not be moved

Fuertes, fuertes, ¡fuertes somos ya! (2x)
Porque estamos bien organizados,
¡Fuertes somos ya!
