

## **Take Trump Out of the White House**

(to the tune of Take Me Out to the Ball Game)

Take Trump out of the White House!

Lock him up in a jail!

Put him in handcuffs, and we will shout,

"We don't care if he never gets out!"

We say, NO, NO, NO! to his king plans, We won't be subjects for him!

For it's one, two, three times impeached for the would-be king!

**(Repeat!)**

## **Come on, America!**

to the tune of God Bless America

(tune by Irving Berlin, new words by Leydorf)

Come on, America, what have we done?

Stand beside us and guide us, for the mess and distress we've begun!

All their bigots and their gun nuts, every greedy billionaire!

Let's save America from this nightmare!

Let's save America from this nightmare!

Come on, America! Stand up to hate!

Don't divide us, unite us! You can't break us to make us more great.

Tell the bigots and the gun nuts, every greedy billionaire,

Let's make America more free and fair!

Let's save America from this nightmare!

## **We Will Defend Democracy**

(tune, chorus & last verse by Woody Guthrie, tune - This Land is Your Land, new words by Sharleen Leahey)

In '76 we defied a king,  
In '25 we're lettin' freedom ring!  
Let's raise our voices to proudly sing,  
We will defend democracy!

### **Chorus:** *(repeat after every verse)*

This land is your land, this land is my land  
From California to the Jersey pinelands  
From the redwood forest to the Gulf of Mexico,  
This land was made for you and me!

In '76 we fought a revolution,  
Now we fight for our Constitution!  
People power is our solution!  
We will defend democracy!

So rise up, healers, do not comply  
With a wheeler-dealer who thrives on lies!  
When we band together, our power magnifies!  
We will defend democracy!

Nobody living can ever stop us  
As we go walking our freedom highway.  
Nobody living can make us turn back!  
We will defend democracy!

## **WHAT DO YOU DO WITH A LYING TYRANT?**

Lyrics: Tina Kelly (2025)

Tune: Traditional Sea Chanty (Drunken Sailor)

What do you do with a lying tyrant? What do you do with a lying tyrant?

What do you do with a lying tyrant early in the morning?

Grab him by the midterms, Grab him by the midterms

Grab him by the midterms, late in '26

What can you do with a criminal despot? (2x)

What can you do with a criminal despot early in the morning?

Find another court to rule against him (2x)

Find another court to rule against him every single week!

What can you do with plutocrat grifters (3x) early in the morning?

Call your senators 'til they listen

Call your congress reps 'til you're tired

Register voters, send out postcards, early every morning!

## **We Shall Not Be Moved**

(traditional African-American hymn based on Psalm 1-3)

We shall not, we shall not be moved! We shall not, we shall not be moved!

We'll save the Constitution, we shall not be moved!  
We'll save the Constitution, we shall not be moved!  
Just like a tree that's standing by the water, We shall not be moved!

Donald Trump's a fascist, he must be removed!  
Donald Trump's a fascist, he must be removed!  
Just like the garbage floating on the water, He must be removed!

We'll build a better future, we shall not be moved!  
We'll build a better future, we shall not be moved!  
Just like a tree that's standing by the water, We shall not be moved!

## **We Shall Overcome**

**Key: C**

*Traditional, Adapted in 1960 by Zilphia Horton from Black Gospel Singers of the Charleston Food & Tobacco Workers Union and the Southern Civil Rights Movement*

We shall overcome, We shall overcome  
We shall overcome someday.  
Oh, deep in my heart, I do believe  
That we shall overcome someday.

We'll walk hand in hand, We'll walk hand in hand  
We'll walk hand in hand someday.  
Oh, deep in my heart, I do believe  
That we shall overcome someday.

We are not afraid. We are not afraid  
We are not afraid today.  
Oh, deep in my heart, I do believe  
That we shall overcome someday.

The whole wide world together, The whole wide world together  
The whole wide world together now  
Oh, deep in my heart, I do believe  
That we shall overcome someday.

We shall live in peace, We shall live in peace  
We shall live in peace someday  
Oh, deep in my heart, I do believe  
That we shall overcome someday.

Super callous racist fascist sexist braggadocious!  
When we sing it loud enough the world knows he's atrocious.  
The anger that we're feeling grows daily more ferocious!  
At super callous racist fascist sexist braggadocious!

Super-callous-racist-fascist-sexist-braggadocious!  
He has such a swelled-up head and never was precocious.  
His gutting of the EPA is totally atrocious.  
That Super-callous-racist-fascist-sexist-braggadocious.

Um diddle diddle diddle um diddle aye  
How did we ever get stuck with this guy?  
Um diddle diddle diddle um diddle aye  
How are we gonna get rid of this guy?

His itchy Twitter finger offends the world around.  
If we can't get rid of him he'll burn the planet down.  
However did we end up with such a horrid POTUS?  
That super-callous-racist-fascist-sexist-braggadocious.

Um diddle diddle diddle um diddle aye  
How did we ever get stuck with this guy?  
Um diddle diddle diddle um diddle aye  
How are we gonna get rid of this guy?
